Betreff: AW: Macoun 2013 / Cover-Verwendung

Datum: 22. Juli 2013 14:59:46 MESZ

Hallo Klaus, hallo Clemens,

hiermit bestätige ich euch, dass ihr das Cover (und auch Abbildungen aus dem Buch) des Buchs „Apps programmieren für iPhone und iPad“ im Rahmen von Vorträgen zeitlich unbegrenzt verwenden dürft. Diese Genehmigung umfasst auch die Veröffentlichung von Vortragsfolien im Internet und des Vortrags auf YouTube.

Viele Grüße

Stephan

Thanks for supporting Glyphish!

LICENSE AND TERMS OF USE

As a paying license holder, you're free to use the icons and artwork for commercial and non-commercial purposes, for yourself, your company and your clients, and to edit, remix and otherwise modify.

You may not sell or redistribute the icons themselves as icons.

You may not use the icons in a way that encourages downstream distribution. This means no templates or skins or theme kits or similar uses. (The person using the theme or template might not know where the icons came from and thus wouldn't be following the license.)

The icons may not be used in any form of "easy app builder" tools or websites. Xcode is acceptable; point-and-click app creator websites are not.

The icons may not be redistributed under any other license without expressed written permission.

Yes! Tattoo them on your arm, use them on your business cards. Do not resell them as icons or use them in app builder tools or templates. If any questions, send a message.

REFUND POLICY

Since these are digital files, no refunds or exchanges will be granted after completed purchase and download. Additional downloads available upon request up to 60 days after purchase.

200 FREE ICONS & ATTRIBUTION

Free icons are require attribution in the form of a note and a link back to the Glyphish website. For full sets, no attribution is required for use by you, your company, your clients. But if you'd like to spread the word by linking to Glyphish from your website, blogpost, Twitter or wherever, your kind words are much appreciated.

QUESTIONS, COMMENTS, HELP

Have a question about Glyphish? Send a message. Need custom icons or some exception to the licensing terms? Happy to discuss.

Follow @glyphish on Twitter for updates and more.
